## New to Timed Auctions?

---

Our 'Timed' auctions are run via our website and each lot will close in order from the first to the last in 30-second intervals.

Timed auctions are similar to live sales, but rather than lasting a few hours they can last a few days. This extended timeframe means should your initial maximum bid be beaten you can submit new bids mid-auction. In this event you'll be notified allowing you to bid again.

Please be aware once a bid has been placed in a timed auction, it can only be lowered and not removed.

In order to bid you will need to create a My Fellows account, be approved and have accepted our T&C's.

Please note that the normal conditions of sale apply and our full terms and conditions are available to view on our website.

Front cover lots: 304

## Terms and Conditions Fellows Auctioneers Ltd

Fellows Auctioneers Ltd carries on business, including the conduct of Auctions, on these general conditions. This includes any business with Bidders, Buyers, Vendors, Consignors, users of this website, and with all those present on the Premises prior to or in connection with an Auction (all as hereinafter defined).

### 1. Introduction

#### Definitions and interpretation

##### 1.1 The following defined terms are used in these Conditions:

- “Auction” or “sale” means any auction conducted by Fellows, either at their premises or elsewhere including any internet-based auctions and/or Timed Auctions; “Auctioneer” means Fellows or its authorised Auctioneer, as appropriate;
- “Bidder” means a bidder or bidder’s representative at an Auction, including bidders personally present at the venue and those bidding by telephone or over the internet or otherwise;
- “Buyer” means the bidder whose bid was the last bid when the Auction ends;
- “Conditions” means these terms and conditions;
- “Consigned Property” means the items consigned by the Vendor to Fellows for offer at an Auction;
- “Deliberate Forgery” means an imitation made with the intention of deceiving as to authorship, origin, date, age, period, culture or source but which is unequivocally described by Fellows in the catalogue as being the work of a particular creator and which at the date of the sale had a value materially less than it would have had if it had been in accordance with the description;
- “Fellows” means Fellows Auctioneers Ltd;
- “Hammer Price” means the level of bidding reached (at or above any Reserve) when the Auctioneer sells the Lot;
- “Lot” means any Consigned Property accepted by Fellows for offer at Auction;
- “Stated Rate” means Fellows’ published rates of commission for the time being and value added tax thereon (also available on request);
- “Timed Auction” means an automatic Auction process administered according to parameters (such as bid increments and end times) established by the Auctioneer and takes place without the Auctioneer calling the bids. Bids are placed over a defined time period (“Bidding Period”). Bidder may be able to view the highest current bid. The highest bid, (being the greatest bid that meets or is in excess of any Reserve), at the end of the Bidding Period is successful at the auctioneer’s discretion. A Timed Auction:
1. will either be open to all registered Bidders who have registered and been approved by the Auctioneer or restricted to a defined group of Bidders according to the Auctioneer’s chosen criteria; and
  2. may also be a ‘private treaty sale’ or ‘tender sale’ where Bidders cannot see the value of the bids placed by other Bidders;
- “Total Amount Due” means the Hammer Price in respect of the Lot sold together with any premium, commission, value added tax chargeable and any additional charges payable by a defaulting Buyer under these Conditions;
- “Vendor” or “Consignor” means the vendor of an item (including Consigned Property) which is submitted to Fellows for offer for sale at an Auction;
- “Website” means this website;
- “You” or “you” means any person including anyone with whom Fellows does business and/or any user of the Website. “Your” or “your” shall be interpreted

accordingly.

- 1.2 As used herein in these Conditions, each gender shall include all genders, and singular shall include the plural and the plural the singular as the context shall require. Words importing gender include the masculine, feminine, neuter gender, gender neutral, and all genders.

Includes, include, including, shall be deemed to be followed by the phrase “without limitation”. The word includes, include including shall not be construed as limiting a preceding term but rather as permitting the preceding term to refer also to all other matters or items that could reasonably fall within the broadest possible scope.

Certain provisions of these Conditions may be superseded by expressly designated legal notices or terms located on particular pages at the Website.
- 2.3 Unless otherwise stated, the copyright and other intellectual property rights in all material on the Website (including without limitation photographs and graphical images) are owned by Fellows or its licensors. If You breach any of these Conditions, Your permission to use the Website automatically terminates and You must immediately destroy any downloaded or printed extracts from the Website.

- 2.5 Any rights not expressly granted in these Conditions are reserved.

### 3. Rules about your conduct and uploading content to Fellows Website

- 3.1 Other than personally identifiable information, which is covered under our Privacy Policy, any material You transmit or post to the Website shall be considered non-confidential and non-proprietary. Fellows shall have no obligations with respect to such material. Fellows and its designees shall be free to copy, disclose, distribute, incorporate and otherwise use such material and all data, images, sounds, text and other things embodied therein for any and all commercial or non-commercial purposes.
- 3.2 You are prohibited from posting or transmitting to or from the Website any material: that is threatening, defamatory, obscene, indecent, seditious, offensive, pornographic, abusive, liable to incite racial hatred, discriminatory, menacing, scandalous, inflammatory, blasphemous, in breach of confidence, in breach of privacy or which may cause annoyance or inconvenience; or for which You have not obtained all necessary licences and/or approvals; or which constitutes or encourages conduct that would be considered a criminal offence, give rise to civil liability, or otherwise be contrary to the law of or infringe the rights of any third party, in any country in the world; or which is technically harmful (including, without

- limitation, computer viruses, logic bombs, Trojan horses, worms, harmful components, corrupted data or other malicious software or harmful data).
- 3.3 You may not misuse the Website (including, without limitation, by hacking).
- 3.4 Each registration is for a single user only. Fellows does not permit You to share your user name and password with any other person nor with multiple users on a network.
- 3.5 Responsibility for the security of any passwords issued rests with You.
4. The Vendor
- 4.1 Fellows shall act as agent of the Vendor only. Any contract for the sale of a Lot will be formed between the Vendor and the Buyer.
- 4.2 Fellows shares Vendor information with third parties for identity and address verification, fraud prevention and to comply with legal obligations. The Vendor warrants and represents to Fellows and the Buyer that information provided by the Vendor is accurate. Where Fellows detects a fraudulent registration or cannot verify Vendor's identity to a satisfactory standard this may result in Fellows refusing to provide the Vendor with services.
- 4.3 The Vendor warrants and represents to Fellows and the Buyer that the Vendor is the sole and true owner of the Consigned Property or is properly authorised by the sole and true owner to consign it for sale and is able to transfer good and marketable title to the property free from any third party claims.
- 4.4 By consigning the Consigned Property to Auction, the Vendor confirms that he/she has the lawful right to sell the Consigned Property and authorises Fellows Auctioneers Ltd to deduct the specified charges. The Vendor warrants and represents that the Vendor has revealed all pertinent information that the Vendor possesses about the Consigned Property, including in relation to any repairs or alterations that may have been carried out. The Vendor shall indemnify Fellows and the Buyer against any loss and expense caused by any breach of this clause 4.4.
- 4.5 The Vendor shall be entitled to place prior to the time of consignment a reserve on any Lot, being the minimum Hammer Price at which Lot may be sold ("Reserve"). Reserves must be reasonable and Fellows may decline to offer goods which in Fellows' opinion would be subject to an unreasonably high reserve (in which case goods carry the storage and insurance charges stipulated these Conditions). Reserves will not be accepted on items with a bottom estimate less than £300. The Auctioneer also reserves the right not to accept items which they deem to be unsuitable for Auction. Any estimate given by Fellows shall be an opinion and is not an undertaking, warranty or representation of any kind and will not have any legal effect. Storage and insurance charges shall apply at the point of consignment.
- 4.6 A Reserve once set cannot be changed except (i) with the written prior consent of Fellows and (ii) no later than 2 working days before the relevant Auction.
- 4.7 Where a Reserve has been placed only Fellows may bid on behalf of the Vendor.
- 4.8 The Vendor authorises Fellows to deduct commission from any sold Consigned Property. The standard commission is 15% (plus VAT) unless agreed otherwise by Fellows in writing including by email. Loss or liability for damage will be charged at a rate of 1.5% (plus VAT) calculated on the Hammer Price. A Marketing fee of £10 (plus VAT) will be charged for each Lot, if unsold Fellows will charge a nominal handling fee of £10 (plus VAT).
- 4.9 15 days after completion of Auction and subject to receipt of the Total Amount Due in full by the Buyer, Fellows will pay the Hammer Price achieved for the Lot (less the commission and applicable fees in accordance with clauses 4.8 and 9).
- 4.10 The Vendor authorises Fellows in their discretion to negotiate a sale by private treaty in the case of a Lot unsold at Auction, in which case the same charges will be payable as if the Lot had been sold at Auction.
- 4.11 Fellows do not themselves undertake the collection of any items but may, as the Vendor's agent, instruct a contractor on behalf of the Vendor. Fellows disclaims any liability for the actions of such contractor who contracts with the Vendor directly.
- 4.12 Fellows disclaims all liability for items without sufficient sale instructions, and reserves the right to charge a minimum warehousing charge of £1.00 plus VAT per item per day. Unsold items are subject to the same charges if the Vendor does not remove them within a reasonable time of notification. If not removed within three weeks Fellows reserves the right to sell the items and defray charges from any net proceeds of sale or at the Vendor's expense to consign them to the local authority for disposal. Fellows disclaims any liability for default by the Buyer or for paying out the Vendor before receiving payment by the Buyer.
- 4.13 Subject to clause 4.11, Fellows holds all items on their premises and in their custody covered against the risks of fire, burglary and water damage. The charges detailed in clause 4.8 are payable by the Vendor up to the date of any sale and (in Fellows' discretion) the Buyer thereafter until collection.
- 4.14 The right of Fellows to bid on behalf of the Vendor is expressly reserved. The Vendor acknowledges that Lots are sold subject to the stipulations of these Conditions in their entirety.
- 4.15 The Auctioneer reserves the right to dispose of any item or Lot that in their opinion is unsaleable. Items or Lots, which do not comply with current legislation or which necessary licences have not been procured by Vendor will not be offered at Auction.
- 4.16 Any items unsold after an Auction will be reoffered in a subsequent Auction at a reduced Reserve to be agreed within (7) seven working days. The Auctioneer may request the removal of an item if a reduced price cannot be agreed; items not removed within 14 days will be subject to a storage charge.
- 4.17 A charge of 30% (plus VAT) based on the middle estimate – plus any other charges incurred – may be levied for any Lot withdrawn by the Vendor from offer at an Auction. If the item has to be returned by post (or any other method) the Vendor will be responsible for this charge. These charges are to be paid before the item is returned.
- 4.18 By consigning an item(s) or Lot to Fellows for offer at Auction, the Vendor agrees to these Conditions and authorises Fellows to deduct the specified charges.
5. Publicity
- 5.1 Any catalogue and buyer guides are provided for information only and do not form by themselves part of these Conditions. However, the catalogue and the buyer guides may contain additional terms and conditions.
- 5.2 Fellows reserves the right to use any photographs, background information, and research for publicity purposes both before and after the sale.
6. The Auction
- 6.1 Any Auction shall be conducted at the absolute discretion of the Auctioneer.
- 6.2 The Auctioneer shall conduct the Auction with reasonable skill and care. For example, what constitutes a bid shall be at the absolute discretion of

- the Auctioneer, acting with reasonable skill and care.
- 6.3 The Auctioneer shall have the right to refuse any bid which does not exceed the previous bid by at least 10% or by such greater proportion as the Auctioneer shall in his or her absolute discretion direct.
- 6.4 Where two or more bids at the same level are simultaneously received by the Auctioneer, the Auctioneer at his or her absolute discretion shall determine which bid to prefer. Subject to the foregoing, where two or more bids at the same level are simultaneously received by the Auctioneer, any bid by a Bidder personally present at an Auction shall take preference over any bid submitted by telephone or over the internet. Any bid made or attempted by telephone or over the internet shall be deemed to have been made only if received by the Auctioneer.
- 6.5 Fellows shall have the right, at its absolute discretion, to refuse admission or registration or participation in any Auction by any person.
7. Bidders
- 7.1 Bidders are required to register their particulars. Fellows shares Bidder information with third parties for identity and address verification, fraud prevention and to comply with legal obligations. The Bidder warrants and represents to Fellows and the Vendor that information provided by the Bidder is accurate. Where Fellows detects a fraudulent registration or cannot verify the Bidder's identity to a satisfactory standard this may result in Fellows refusing to provide the Bidder with services.
- 7.2 Bidders are required to satisfy Fellows' security arrangements before entering any part of the premise, viewing the website or bidding at any Auction.
- 7.3 Bidders accept full liability for all bids submitted. A bid becomes binding once made by a Bidder or his/her representative
- 7.3 Any successful bids are subject to a Buyer's Premium, VAT and other applicable fees.
- 7.4 Subject to clause 6.3, the highest Bidder at the Hammer Price shall be the Buyer. Any dispute about a bid shall be settled at the Auctioneer's absolute discretion.
- 7.5 Bidders are deemed to act as principals unless there is a written prior acknowledgement by Fellows that a Bidder is acting as an agent for a named principal.
- 7.6 Bidders shall be responsible for any decision to bid for a particular Lot and shall be deemed to have satisfied themselves as to its condition. Neither Fellows nor its employees or agents shall be responsible for any Bidder's neglect or default in doing or failing to do so.
- 7.7 Bidders are given ample opportunities to view and inspect before any sale and prospective Bidders must satisfy themselves as to all such matters. Neither Fellows nor its employees and agents nor the Vendor accept liability for the correctness of any opinions contained in catalogues and buyers guides.
- 7.8 Any third party reports such as laboratory tests, external authentication reports, or provenance / history provided in relation to a Lot(s) is reflective of the judgments, perspectives, opinions expressed by the respective third party compiling such report(s) and may not align with the views or opinions of Fellows. Fellows does not endorse or hold the same opinions as those expressed in the reports. All conditions and warranties, express, implied or statutory relating to any Lots are hereby excluded.
8. The Buyer
- 8.1 Buyers are required to register their particulars. Fellows shares Buyer information with third parties for identity and address verification, fraud prevention and to comply with legal obligations. The Buyer warrants and represents to Fellows and the Vendor that information provided by the Buyer is accurate. - 8.2 Immediately following completion of the relevant Auction, the Buyer shall pay to Fellows the Total Amount Due. Sold Lots are not eligible for refunds. The foregoing does not affect the Buyer's statutory rights.
- 8.3 Fellows may, at its absolute discretion, agree credit terms with the Buyer before an Auction under which the Buyer may be entitled to take possession of Lots up to an agreed value in advance of payment by a stipulated future date of the Total Amount Due.
- 8.4 Cheques shall not be acceptable by Fellows (unless Fellows in its absolute discretion permits payment by such method) nor are third party references or credit facilities with other Auction houses. If a cheque is tendered Fellows reserves the right to instruct its bank to check the Buyer's status and account balance before exercising any discretion. Fellows are under no obligation to provide VAT refunds, although may at its discretion offer assistance to Buyers to obtain VAT refunds from HMRC who are the ultimate authority regarding VAT. VAT refunds are subject to provision of relevant export/import documentation.
10. Title and Collection of Purchases
- 10.1 The ownership of any Lot purchased shall not pass to the relevant Buyer until they have made payment in full to Fellows of the Total Amount Due.
- 10.2 Buyers shall at their own risk and expense take away any Lot that they have purchased and paid for not later

- 11.2 If any Lot is not paid for in full and taken away in accordance with these Conditions, or if there is any other breach of these Conditions, Fellows as agent for the Vendor shall at its absolute discretion and without prejudice to any other rights it may have, be entitled to exercise all or any of the following rights and remedies:
- (a) to proceed against the Buyer for an action for debt or damages for breach of contract;
- (b) to rescind the sale of that Lot and/or any other Lots sold by Fellows to the defaulting Buyer;
- (c) to re-sell the Lot by Auction or private treaty. If a lower Hammer Price is achieved on the re-sale than that achieved on the original sale the defaulting Buyer shall be liable for the difference (after crediting any part payment and adding any reasonable associated costs). - (g) to reject or ignore bids from the defaulting Buyer or refuse defaulting Buyer admission or participation at future Auctions or block such defaulting Buyer from accessing any Fellows services or website or impose conditions before any bids from defaulting Buyer shall be accepted;
- (h) to apply any proceeds of sale of other Lots due or in future becoming due to the defaulting Buyer towards the settlement of the total amount due and to exercise a lien on any of the Buyer's property in Fellows' possession for any purpose.
12. Deliberate Forgeries
- 12.1 Subject to clause 12.2, any representation or statement by Fellows (including in any catalogue) as to authorship, genuineness, origin, date, age, provenance, condition or estimated selling price is a statement of opinion only. Prospective Buyers are given ample opportunities to view and inspect before any sale and prospective Buyers must satisfy themselves as to all such matters. Neither Fellows or its employees or agents nor the Vendor accept liability for the correctness of such opinions and all conditions and warranties, express, implied or statutory are hereby excluded.
- 12.2 Any Lot which is proven to Fellows' sole discretion to be a Deliberate Forgery may be returned to Fellows by the Buyer within 21 days of the Auction provided it is in the same condition as when bought, and is

accompanied by particulars identifying it from the relevant catalogue description and a written statement of defects. If Fellows is satisfied from the evidence presented that the Lot is a Deliberate Forgery Fellows shall refund the money paid by the Buyer for the Lot (but not the amount of any consequential loss, damages, expenses or interest) provided that (1) if the catalogue description reflected the accepted view of scholars and experts as at the date of sale or (2) the Buyer personally is not able to transfer a good and marketable title to Fellows.

# Important Notices for Purchasers

## Buyer's remorse

Refunds will not be given for "buyer's remorse". This does not affect your statutory rights. Goods purchased through public auction are exempt from the Right to Cancel, as per The Consumer Contracts (Information, Cancellation and Additional Charges) Regulations 2013.

## Viewing

Fellows provides viewing days by appointment in Birmingham and London to enable any prospective buyer, the opportunity to view and inspect any item prior to sale. A virtual viewing service is also available by request. Buyers are encouraged to view any items on which they would want to bid to sufficiently satisfy themselves of the item's condition.

## Catalogue Descriptions and Condition Reports

The catalogue description and a condition report of a lot are provided by Fellows on lots offered for sale in specialist auctions. They provide potential buyers with information to help them make decisions about whether to bid on a particular lot. Most lots are assessed using a jeweller's loupe or other such magnification tool.

A lot description describes the item or group of items (lot) being offered for sale at an auction. It typically includes details of the lot's physical appearance such as dimensions and composite parts and may also list the provenance and any other facts about the lot. Whilst care has been taken in the examination of lots consisting of multiple items, it is not always possible to test every component in such lots.

A condition report is an assessment of the physical condition of the item in the lot, often including any visible flaws, imperfections, repairs, or alterations. The absence of a reference to damage or wear does not imply a lack thereof or lack of any further faults within the item. Buyers should expect signs of wear and use commensurate with the age of the item.

Buyers should be aware that lots where the catalogue description and/or condition report contain AF, are considered to be at fault. This could mean that key components are damaged and/or deficient; the item has very noticeable damage; it is unwearable or non-functioning.

Information contained within the cataloguing of any lot is a statement of opinion only. Buyers must satisfy themselves as to all such matters. Fellows does not accept any liability for the correctness of such opinions.

## Materials

Fellows does not guarantee the standard of gold or platinum unless an item is hallmarked. In some cases, Fellows may use a Thermo Scientific Nitron Handheld XRF Analyser to test metals. This technology is limited to examining metal to a depth of approximately 8 microns. Results from electronically tested items should only be used as a guide and with caution, as false readings are possible. Where other marks denoting metal fineness and/or an opinion on metal fineness is included in the description and/or condition report, it should be used as guide only. Information contained within the cataloguing of any lot is a statement of opinion only. Buyers must satisfy themselves as to all such matters.

## Weights and dimensions

Dimensions for paintings, works on paper, posters etc. are given as height x width. Buyers should assume that these measurements are of an unframed item. Dimensions for furniture are given as height x width x depth. Further measurements such as framed size and additional furniture measurements are noted in the description and/or condition report.

Dimensions for handbags, purses, items of luggage etc, are given as width x depth x height where appropriate.

Dimensions and weights detailed in cataloguing are estimates only. Buyers must satisfy themselves as to all such matters. Fellows does not accept any liability for the correctness of such assessments.

Estimated diamond and coloured gemstone weights, colours, and clarities are intended as guides for buyers only. They are assessed within the given limitations of mounts and settings. There may be a discrepancy between the stated estimate and the unmounted weight.

Weights, colours, and clarities listed by Fellows are intended as guides only. Any such grades are a statement of opinion only. Buyers must satisfy themselves as to all such matters.

## Catalogue symbols

 - Export or import restrictions.

Certain items may be subject to import and/or export restrictions for customers outside of the United Kingdom. Buyers should conduct their due diligence to understand and adhere to the regulations in their own country and the country of origin. Some items, especially those featuring materials from endangered species, may be subject to regulations, leading to export and import restrictions as well as restrictions on the sale of the goods themselves.

CITES is the Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES) is an international agreement aimed at ensuring that the international trade of wild animals and plants does not threaten their survival. The sale of goods from restricted categories, such as those involving endangered or vulnerable species, is subject to stringent regulations.

The Ivory Act 2018 bans the sale of items made of or containing elephant ivory unless they are registered or certified as exempt. Standard exemptions include musical instruments made before 1975 with less than 20% ivory, items made before March 3, 1947, with less than 10% ivory, and portrait miniatures made before 1918 with limited surface area. An exemption exists for pre-1918 items with outstanding artistic, cultural, or historical value.

The information presented in the reports provided is reflective of the opinions expressed by the respective laboratory and/or individual compiling the report. ## Gemstones

Buyers should be aware that it is not always possible to test each gemstone in a lot given time and equipment constraints outside laboratory conditions. Lots are assessed within the limitations of their mountings unless they have been unset to be examined by Fellows and/or an external laboratory. Any colour and/or clarity gradings listed by Fellows are intended as guides only. Any such grades are a statement of opinion only. Buyers must satisfy themselves as to all such matters.

Although every attempt is made to identify and disclose treated and synthetic diamonds and gemstones, Fellows cannot ensure that all lots containing diamond sets are free from such materials. Buyers should assume that all gemstones have undergone some form of treatment unless otherwise stated.

Any assessment is a statement of opinion only. Buyers must satisfy themselves as to all such matters. Fellows does not accept any liability for the correctness of such opinions.

## Watches

Unless under warranty, most watch case backs will be opened during the valuation and cataloguing process to assess condition and facilitate authentication. Fellows recommends that after receipt of goods, buyers arrange for items purchased at auction to be resealed by an authorised technician to ensure the preservation of stated water resistance.

While Fellows endeavours to identify and disclose any custom attributes when feasible, the absence of such disclosure does not guarantee authenticity. Fellows does not accept any liability if an item is subsequently found to have non-brand alterations. Neither is it always possible to authenticate every component, including individual external and movement parts, watch glasses, hands, straps, and buckles. These alterations may arise from items being previously serviced outside of authorised workshops and Fellows cannot accept liability if any component or part is later found to be with issue. This includes compatible, yet non-original, brand parts and/or numbering that may limit maintenance options through workshops in the future.

## Coins

Fellows uses a standard numismatic grading scale to specify the condition of a coin. The grading scale from Mint to Poor provides a standardised way and a common language for buyers to understand the condition of coins offered for sale in the auctions.
