Bassett-Lowke Gauge O Midland Railway 1st Class Corridor Coach (No. 60/0), produced for Bassett-Lowke by Bing and finished in the deep Midland crimson lake scheme with printed lining, ventilators and end doors. The bodywork remains clean and well-presented with only light marking and small areas of age-related wear, while the roof shows mild scuffing and a few rubs; bogies and underframe are tidy with only minor oxidisation. Couplings, buffers and detailing are intact. Presented in an original period Bassett-Lowke blue box with Hamleys retailer label, the box being worn with splits, corner losses and surface wear but complete. Condition: Good Plus to Excellent (coach), box Fair.

Estimate: £80-100

Lot No. 1033

Bassett-Lowke Gauge O Midland Railway Third Class Corridor Coach (numbered 2783), manufactured for Bassett-Lowke by Bing and finished in the Midland crimson lake livery with fine printed lining, ventilators and detailed end doors. The body retains strong colour and gloss with only light marking and small patches of age wear; the roof is clean with a few scuffs, and the underframe and bogies are tidy with minimal oxidisation. Couplings and buffers are intact. Supplied in an original period Bassett-Lowke blue box with early Lowko label, the box being worn with splits, edge losses and surface rubbing but remaining complete. Condition: Good Plus to Excellent (coach), box Fair.

Estimate: £80-100

Lot No. 1034

Bassett-Lowke Gauge O Midland Railway Brake Third Corridor Coach, No. 2783, lithographed by Bing, finished in Midland crimson lake with fine lining, detailed droplights and ventilators, and. One end shows notable overpainting and surface disruption, the body exhibits craquelure and age toning to the printed finish, and there is light edge wear throughout; underframe and bogies are original with typical handling wear. Supplied in a modern replacement box with reproduction Bassett-Lowke labels. Condition: Good to Excellent

Estimate: £80-100

Lot No. 1035

Bassett-Lowke Gauge O Midland Railway Passenger Brake Bogie Coach (Carette type), lithographed in Midland crimson lake with fine lining, parcel doors, guard's ducket and ventilated clerestory roof. The finish shows notable wear, including scattered paint loss, abrasions around the ducket, dents and scratches to the end panels, and general careworn handling to body and underframe; buffers and couplings are present, 1 roof vent missing. Supplied in a modern replacement box with reproduction Bassett-Lowke label. Condition: Good

Estimate: £80-100

Lot No. 1036

Bassett-Lowke Gauge O Midland Railway 1st/3rd Class Bogie Coach (Carette type), lithographed in Midland crimson lake with full lining, numbered 1-3 compartments, and fitted with clerestory roof and early pattern bogies. The printed finish shows notable age wear including scuffs, scattered paint loss, scratches to panels and ends, dulling to the roof, and general careworn handling to underframe and running gear; couplings and buffers remain present. Supplied in a modern replacement box with reproduction Bassett-Lowke labels. Condition: Good.

Estimate: £80-100

Lot No. 1037

Bassett-Lowke Gauge O Midland Railway Passenger Brake Bogie Coach (Carette type), lithographed in Midland crimson lake with clerestory roof, parcel doors and ducket detailing. The finish shows substantial age wear including scuffs, scratches, scattered losses to panels and lining, dulling and spotting to the roof, and general careworn handling to underframe and bogies; buffers and couplings remain fitted. Supplied in a modern replacement box with reproduction Bassett-Lowke labels. Condition: Good.

Estimate: £80-100

Lot No. 1038

Bassett-Lowke/Carette Gauge O Midland Railway passenger brake van and Midland Railway Carette bogie coach. The brake van is finished in crimson lake with duckett and panel lining, showing pronounced age wear with scratches, flaking, rubbing to ends and roof, and worn couplers, supplied in a modern replacement box; the Carette bogie coach No.132/23/35 retains its crimson lake finish and clerestory roof with 1st/3rd class markings, displaying moderate rubbing and scratches but remaining complete, offered in an old non-original box. Condition respectively Fair and Good.

Estimate: £80-100

Lot No. 1039

Bassett-Lowke Gauge O coarse scale 12-wheel LNWR dining saloon coach. A factory-built tinplate example finished in the characteristic LNWR plum and spilt milk livery with lined panels, DINING SALOON legend and running number 13210, fitted with bogies, buffers and couplings, the body showing good overall colour and definition with evident careworn wear, rubbing and paint loss around the window frames and edges, and light roof discolouration consistent with age and use. Supplied in an original Bassett-Lowke card box showing notable wear, scuffing and losses. Condition: Good.

Estimate: £80-100

Lot No. 1040

Gauge O Midland Railway goods wagons, a mixed group of five including cattle wagons, vans and a refrigerator meat van in grey and olive tinprinted liveries with MR lettering, manufactured by Märklin for Bassett-Lowke and retailed by Gamages, as indicated by underframe stamps. The wagons feature period couplings, spoked and disc wheels and printed solebar details, with several examples housed in original Lowko-labelled card boxes. Condition shows honest age-related wear with paint rubbing, small chips and minor oxidation consistent with use, while the boxes are fragile with staining, splits and losses. Wagons are Good, boxes are Poor to Fair.

Estimate: £80-100

Lot No. 1041

Bassett-Lowke Gauge O Midland Railway goods wagons, a group of five including brake van, loco coal wagon and open wagons in grey and olive tinprinted MR liveries with period couplings, spoked and disc wheels, and printed solebar details, several bearing Bassett-Lowke markings to body sides or underframes, manufactured in Germany and consistent with Märklin production for Bassett-Lowke, offered unboxed. Condition shows careworn surfaces with paint rubbing, chips, light corrosion and general handling wear consistent with age and use, wagons overall Good.

Estimate: £80-100

Lot No. 1042

Gauge O Bassett-Lowke North Eastern Railway (NER) bogie well wagon with J.T. Lowke & Sons boiler tank load. A Carette manufactured well wagon for Bassett-Lowke, identified by the Lowke arrow transfer and Bassett-Lowke Northampton make marking to the solebar, carrying a riveted cylindrical boiler tank lettered J.T. Lowke & Sons, Central Boiler and Engineering Works, Northampton, secured by chains and representing a period trade load rather than railway service stock. The wagon shows original finish with expected age-related wear, light paint losses, oxidation to metal components and general careworn appearance, the load matching in character and finish. Condition: Good Plus.

Estimate: £80-100

Lot No. 1043

Bassett-Lowke Gauge O Pre-WW1 tinplate bogie steel loco coal wagon, catalogue 13417/35, Midland Railway grey livery with large MR lettering and tin-printed detail including tare and load data, manufactured by Carette and issued 1909–1914, featuring bogie construction with spoked wheels, Lowke arrow emblem to solebar and period couplings, complete and unmodified, showing light surface wear, minor edge rubbing and age-related patination consistent with early tinplate examples. Condition overall Good Plus to Excellent.

Estimate: £80-100

Lot No. 1044

Group of five Bassett-Lowke Gauge O pre-WW1 tinplate LNWR wagons, manufactured by Carette, comprising four standard covered goods vans in LNWR grey with diagonal cross-bracing and one LNWR brake van lettered CAMDEN with lookout, the wagons tin-printed with large LNWR lettering, issue dates including 1911 and 1912, Lowke arrow emblems and catalogue numbers to the solebars, fitted with original couplings and spoked wheels, showing consistent early tinplate construction and detailing. All display honest age-related wear with edge rubbing, small paint losses, light oxidation and patination, but remain complete and unmodified. Condition overall Good Plus.

Estimate: £80-100

Lot No. 1045

Bassett-Lowke Gauge O pre-WW1 tinplate LNWR wagon group by Carette, comprising five vehicles: three covered goods vans in LNWR grey with diagonal cross-bracing dated 1912, one brake van lettered "Crewe", and one open merchandise wagon lettered LNWR 7 Tons dated 1918. All feature fine tin-printed detail, Lowke arrow emblems and catalogue numbers to the solebars, with original couplings and spoked wheels. Overall Good Plus condition.

Estimate: £80-100

Lot No. 1046

A group of pre-WWI LNWR tinplate rolling stock, comprising a gunpowder van, several open wagons including 7-ton and 10-ton examples (one lettered "LOCO"), and two bolster flat wagons, all finished in typical LNWR goods liveries with printed detailing and iron spoked wheels. The wagons display period-style couplings and underframes consistent with early Bassett-Lowke/Carette production, with issue dates shown within the tin-printing, and together form a representative and varied LNWR goods assortment. Conditions are Good to Good Plus.

Estimate: £100-120

Lot No. 1047

Bassett-Lowke Gauge O group of pre-WWI tinplate Great Northern Railway rolling stock, comprising an insulated refrigerator and frozen meat van, two GNR vans in red livery, an 8-ton open wagon and a 9-ton bolster wagon with timber load, all with fine tin-printed detail, iron spoked wheels and early pattern couplings, some retained in period-style cardboard boxes. Condition: Good Plus.

Estimate: £100-120

Lot No. 1048

Group of Bassett-Lowke pre WW1 Great Northern Railway Gauge O wagons, comprising a goods brake van, insulated refrigerator and frozen meat van, two open wagons, and a bolster wagon with timber load, all tinplate with printed decoration and period-style couplings, some with original card packing pieces present. Conditions: Good Plus.

Estimate: £100-120

Lot No. 1049

Great Northern Railway Gauge O wagons by Bassett-Lowke/Carette, comprising a goods brake van, fish van, banana van, and insulated refrigerator and frozen meat van, all tinplate with printed decoration, white roofs, and period-style couplings. Condition: Good Plus to Excellent.

Estimate: £100-120

Lot No. 1050

Bassett-Lowke Gauge O Great Western Railway tinplate wagons, a small group comprising a ventilated covered van with original card packing piece, a mica B refrigerator meat van, and two loco coal wagons, all with printed G W lettering, period-style couplings and metal wheels, offered together as a single lot. Conditions are generally Good Plus

Estimate: £100-120

Lot No. 1051

Bassett-Lowke (Lowko) Gauge O Midland Railway tinplate low-sided ballast wagons, a group of five, finished in brown with printed M R / E D lettering, metal wheels and period couplings, one retaining its original card box labelled "M.R. Low-Sided Ballast Wagon". Condition: Good to Good Plus
Estimate: £100-120

Lot No. 1052

Bassett-Lowke (Lowko) Gauge O tinplate open wagons, comprising one London, Brighton & South Coast Railway open wagon with removable bar load, and one Lancashire & Yorkshire Railway open wagon, both finished in olive green with printed lettering, metal wheels and period couplings. Condition: Good Plus.

Estimate: £100-120

Lot No. 1053

Bassett-Lowke (Lowko) Gauge O tinplate open wagons, a pair comprising one Caledonian Railway 8-ton open wagon in brown livery and one North British Railway open wagon in olive green, both with printed lettering, metal wheels and period couplings. Condition: Good Plus.

Estimate: £100-120

Lot No. 1054

Bassett-Lowke (Lowko) Gauge O pair of tinplate open wagons, a Great Central Railway and Great Eastern Railway example, both finished in grey with printed G C and G E lettering, metal wheels (replacements on the G.C. open) and period couplings. Condition: Good Plus.

Estimate: £100-120

Estimate: £50-70

Lot No. 1090

Gauge O coarse scale Midland Railway kit-built coaching stock comprising a 12-wheel clerestory bogie coach and a luggage van. The clerestory coach is a kitbashed example with original lithographed sides on a non-original underframe, finished in Midland crimson lake with 1st and 3rd class panels, showing general careworn wear with rubbing and small paint losses; the luggage van is from a plastic kit, probably Slaters, in Midland livery with applied lining, with similar general wear and minor assembly marks. Both are supplied in non-original card boxes with later labels, offered as seen. Condition: Good.

Estimate: £80-100

Lot No. 1091

Gauge O coarse scale LMS Period I full brake coach. The model has a lithographed tinplate body mounted on a kitbashed underframe, finished in LMS crimson with lined panels and LMS lettering, retaining good overall colour and definition with some light careworn handling marks and minor inconsistencies from construction; the underframe and bogies appear later and non-original. Supplied in a non-original card box with handwritten identification. Condition: Good Plus.

Estimate: £60-80

Lot No. 1092

Exley Gauge O coarse scale Midland Railway bogie corridor coach. Lithographed tinplate sides finished in Midland crimson lake with lined panels and Midland lettering, fitted with Exley bogies and underframe components, the body showing good colour and definition with light careworn handling marks and minor edge wear consistent with age, roof and ends neatly finished, complete with couplings and buffers. Supplied in a non-original card box with handwritten description. Condition: Good Plus to Excellent.

Estimate: £80-100

Lot No. 1093

Exley Gauge O coarse scale LMS Period I bogie corridor third class coach. A factory-built tinplate-bodied example finished in LMS crimson lake with gilt lining, LMS lettering and crest, fitted with Exley Type K5 patented bogies and underframe, complete with corridor connections, buffers and couplings, the body retaining good colour and definition with light careworn handling marks, one noticeable dent to the roof panel and minor edge wear. Supplied in a non-original card box. Condition: Good Plus.

Estimate: £60-80

Lot No. 1094

Exley Gauge O coarse scale LMS sleeping car. A factory-built tinplate-bodied example finished in LMS crimson lake with gilt lining, LMS lettering and crest, marked SLEEPING CAR, fitted with Exley patented Type K5/W1 bogies and underframe, complete with corridor connections, buffers and couplings, the body retaining good colour and definition with light careworn handling marks and minor edge wear consistent with age. Supplied in a non-original card box with handwritten label. Condition: Good Plus to Excellent.

Estimate: £80-100

Lot No. 1095

Exley Gauge O coarse scale LMS kitchen car. A factory-built tinplate-bodied example finished in LMS crimson lake with gilt lining, LMS lettering, crest and KITCHEN CAR designation, numbered 41115, fitted with Exley patented bogies and underframe, complete with corridor connections, buffers and couplings, the body retaining good colour and definition with light careworn handling marks and minor edge wear consistent with age. Supplied in a non-original card box with handwritten label. Condition: Good Plus to Excellent.

Estimate: £80-100

Lot No. 1096

Exley Gauge O coarse scale LMS restaurant car. A factory-built tinplate-bodied example finished in LMS crimson lake with gilt lining, LMS lettering, crest and RESTAURANT CAR designation, fitted with Exley patented Type K6 bogies and underframe, complete with corridor connections, buffers and couplings, the body retaining good overall colour and definition with light careworn handling marks, small paint chips and minor scuffing to the roof and light edge wear consistent with age. Supplied in a non-original card box with handwritten label. Condition: Good Plus.

Estimate: £80-100

Lot No. 1097

Exley Gauge O coarse scale LMS corridor third brake end coach. A factory-built tinplate-bodied example finished in LMS crimson lake with gilt lining, LMS lettering and class numerals, incorporating brake and luggage accommodation, fitted with Exley patented bogies and underframe and complete with corridor connections, buffers and couplings, the body retaining good colour and definition with light careworn handling marks, minor edge wear and small blemishes consistent with age. Supplied in an original Exley-labelled card box showing notable wear and loss to the label. Condition: Good Plus.

Estimate: £80-100

Lot No. 1098

Darstaed coarse scale Gauge O Midland Railway six-wheel clerestory coach set. A modern production set comprising four finely finished tinplate-style clerestory coaches in MR crimson livery with gold lining and class numerals, including a first class coach, composite, third class coach and brake/guard's coach, all fitted with six-wheel underframes, interior glazing and contemporary couplings, presented in Excellent condition with minimal handling wear. Supplied in the original Darstaed Trains de Luxe box with fitted foam inserts and retailer label, the packaging showing only light storage wear.

Estimate: £140-160

Lot No. 1099

Darstaed Gauge O LMS and Midland Railway six-wheel coaching stock. A small group comprising an LMS combination truck and an MR clerestory full brake, both finished in lined crimson lake with appropriate lettering, six-wheel underframes and end detail consistent with the Darstaed vintage style range, showing only light handling marks. Supplied individually boxed in Darstaed Trains de Luxe packaging with internal packing, the contents in Excellent Plus to Near Mint condition and the boxes in Excellent condition with minor storage wear.

Estimate: £70-80

Lot No. 1100

Darstaed coarse scale Gauge O Midland Railway six-wheel coaches, a matched pair. Modern vintage-style models finished in MR crimson with fine gold lining, MIDLAND lettering and third class numerals, each mounted on six-wheel underframes with interior glazing, roof ventilators and standard couplings, both appearing little used with clean bodies and minimal handling evidence. Supplied individually boxed in Darstaed Trains de Luxe packaging with retailer labels, the contents in Excellent condition and the boxes in Good Plus condition with light storage wear.

Estimate: £80-100

Lot No. 1101

Ace Trains Gauge O Great Western Railway bogie clerestory coaches, a matched pair comprising one First Class and one Third Class non-corridor coach. Vintage-style tinprinted models finished in GWR chocolate and cream livery with GWR lettering and class designations, each mounted on twin bogies with clerestory roofs, roof ventilators, interior glazing, metal buffers and standard couplings, both appearing little used with clean bodies and sharp printing. Supplied individually boxed in original Ace Trains blue boxes with end labels, the contents in Excellent Plus to Near Mint condition and the boxes in Good Plus condition with light edge wear and minor handling marks.

Estimate: £80-120

Lot No. 1102

Ace Trains coarse scale Gauge O Great Western Railway bogie coaches, comprising two non-corridor clerestory coaches (all 1st and all 3rd) and a arc roof bogie Full Brake. Vintage-style tinprinted models finished in GWR chocolate and cream with correct lining, lettering and class designations, clerestory roofs with ventilators, glazed windows, metal buffers and couplings, all mounted on bogies. The Full Brake carries GWR numbering and luggage door detail, complementing the passenger stock. Supplied in original Ace Trains boxes, two blue and one maroon, correctly labelled. Contents are Excellent Plus to Near Mint, boxes are Good Plus with light handling wear.

Estimate: £120-140

The lighter case contains a large quantity of electrical components, wires, connectors, and fittings, while the darker case includes classic red and blue Meccano parts such as plates, girders, pulleys, and wheels. Both in good condition with light wear to cases and contents.

Estimate: £20-30

Lot No. 1212

Collection of empty Meccano Collection series boxes, mostly red 1990s issues, including various numbered sets such as 66, 70, 72, 77, 79, 81, 82, 84, 87, and 92, together with several red plastic inner trays. All boxes appear empty, suitable for display or spares. Generally good condition with minor storage wear.

Estimate: £5-10

Lot No. 1213

Selection of empty Meccano construction set boxes from the blue and silver series, including sets numbered 101, 103, 106, 201, 203, 301, 303, 501, 502, and 503, together with several red plastic inner trays. All boxes appear empty, suitable for display, storage, or spares. Generally very good condition with light handling and storage wear.

Estimate: £5-10

Lot No. 1214

Selection of later period Meccano red plastic carry cases with yellow interior trays and blue inserts, some with working yellow clasps. One example contains a collection of assorted die-cast vehicles including Matchbox and similar, the remainder largely empty. One case shows a crack to the lid, others in good general condition with light surface wear consistent with use.

Estimate: £5-10

Lot No. 1215

Extensive mixed collection of vintage Meccano parts including red, green, yellow, blue, white, and black metal and plastic components, comprising curved and flat plates, girders, gears, wheels, pulleys, axles, and assorted fittings, together with several boxed Meccano nuts and bolts. Also includes later yellow plastic construction parts and a boxed Meccano motor. Varied age and condition throughout with wear, rust, and paint loss in places. Unchecked for completeness.

Estimate: £5-10

Lot No. 1216

Two later Meccano construction sets including Meccano Set No. 353 in blue, yellow, and zinc finish with 353 pieces, motor, and illustrated lid showing various vehicle models, together with a Meccano Set No. 5 in matching blue and yellow parts with illustrated box and instruction booklet. Both with age-related wear, some parts showing tarnish and surface corrosion, and boxes scuffed with handling marks and other damage. Unchecked for completeness.

Estimate: £10-20

Lot No. 1217

Assorted collection of vintage Meccano parts including red, silver, blue and green plates, angle parts and connecting pieces together with a quantity of fixings, chain, and string, some with rusting and paint wear. Also includes two black model locomotives marked LMS 2335 and T.R. 2335. Plus a quantity of cast alloy soldiers. Condition is mixed throughout, unchecked for completeness.

Estimate: £10-20

Auction F015
Trains Day 2 & Meccano on 29 January 2026

Lot No. 1218

Two Meccano construction sets and a Bayko building lot, comprising: Meccano Motorised Set No. 3 in original box with polystyrene inner tray, parts including metal plates, gears, wheels, motor, and screwdriver (appears largely complete, some bagged parts, light wear to box); Meccano City Play System motor set in blue carry case, with instruction booklet and sticker sheet; and a mixed Bayko lot of assembled and loose red, white, and green plastic building components including roof sections, walls, and base plates, some with trees and accessories. All items with age-related wear and untested; unchecked for completeness.

Estimate: £10-20

Lot No. 1219

Selection of Meccano construction sets including a Meccano Set No. 6 in later black and red box with polystyrene trays containing blue, yellow and zinc-finish parts, wheels, and fixings (unchecked for completeness, box worn); an earlier blue and yellow Meccano set with instruction booklets for outfits 2/3/4, polystyrene tray with assorted parts and tools (contents incomplete); a vintage red box Meccano Outfit with mixed red, green and brass parts, wheels, and tins of small fittings; and an additional box of loose Meccano components in green and red finish with metal plates, pulleys, and other parts. All with wear, oxidation, and some loss to parts and packaging. Unchecked for completeness.

Estimate: £10-20

Lot No. 1220

Dapol O Gauge 7P-004-006 Autocoach No.40 in GWR Chocolate & Cream livery, boxed in the original blue window box with inner packaging, condition appears Excellent to Near Mint.

Estimate: £80-100
